# naturally organic MATERIAL CERTIFICATION

### Organic Cotton: SKAL International and KRAV Kontrol

The KRAV Sweden stamp of approval, the oldest and most valued guarantee of organic standards, is respected by cotton producers and buyers around the world.

### Latex: Eco Umwelt Institut Certification

The naturally organic series uses only the finest grade A natural rubber from Northern Malaysia for its mattresses, certified by a reputable certification agency from the European Union.

### Wool: Oeko-Tex Standard 100 Centexbel Certification

The naturally organic series uses pure wool from a small island off the coast of Netherlands. This wool meets the highest ecologic quality standard in the industry, the Öko-Tex 100 standard through the Öko-Tex Association in Switzerland.
