

# Innerspring CRIB MATTRESS

*The Innerspring Crib Mattress employs traditional Bonnell style coils surrounded with quilted layers of organic cotton and wool that with extra tufting achieve a truly firm mattress to provide that perfect feel for a newborn baby. The coils have not been treated with any oils or chemicals.*

## FEATURES

- > Multilayered pad construction prevents padding migration and maximizes longevity.
- > Carded Organic Cotton adds comfort
- > Layer of Pure Wool acts as a natural dustmite repellent
- > Inner tufting eliminates dust pockets and adds firmness

## SPECIFICATIONS

- > 100% Organic Cotton fabric cover
- > Layers of Pure Wool act as a flame retardant
- > 14 gauge Bonnell style coils: Crib 28"x 52" - 117 coils

**CRIB SIZE** 28"x 52"

## CARE INSTRUCTIONS

- > Turn and rotate the mattress every 4 weeks using the handles
- > Place the crib mattress on a firm surface
- > Do not allow the mattress to get wet
- > Use a non-toxic spot cleaner for stains
- > Protect your mattress with a barrier cloth cover and a mattress protector

• Prices subject to change without notice.
